

## APPLICATION FORM

## Leave of Absence during Term Time

In September 2013 there was an amendment to the Education (Pupil Registration) (England) Regulations 2006 which prohibited the Principal of a school granting leave of absence for a pupil except where an *application is made in advance* and the Principal considers there are *exceptional circumstances* relating to the request. If a Principal authorises a leave of absence request, it will be his/her decision to determine the length of time that the child can be away from school.

Any request for leave of absence must be made at least 4 weeks prior to the proposed leave, by completing the application below providing any additional evidence in support of the exceptional circumstances, together with details of why the leave cannot be taken during any school holiday period. Each request will be considered based on the information provided. Please note that exceptional circumstances are considered as occasions where the same request is not likely to be made again. Any student whose attendance is below the national expectation of 97%, or whose attendance would fall below if their leave were granted, will automatically be refused.
